Sabre Initiatives, LLC
2508 Trott Ave SW
Willmar, MN 56201
320-235-8518 • www.sabrellc.com
Always read and follow label directions.

Principal Functioning Agents:	
Ammonium sulfate, D-Glucitol, 1-deoxy-1-(methyl-amino)-, N-C8-10 acyl derivatives, propylene glycol	42.4%
Constituents ineffective as a spray adjuvant	57.6%
TOTAL	100%
All ingredients are exempt from tolerance requirements under 40 CFR 180.	

IF SWALLOWED: Consult a doctor/medical service or Poison Center if you feel unwell. Rinse mouth. Do NOT induce vomiting. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Immediately take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. Wash contaminated clothing before reuse. If skin irritation occurs: seek medical advice or attention.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible. Call doctor or POISON CENTER for treatment advice.

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present and easy to do, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

GENERAL INFORMATION

Cavalry™ Envoy is an NPE-free surfactant, humectant and ammonium sulfate based water condition agent that improves the ability of the spray droplet to enter the plant and maximize pesticide performance.

Water Conditioning Agent • Surfactant • Humectant

MIXING INSTRUCTIONS

Add Cavalry Envoy to the spray tank after all other tank mix partners have been added to the tank. Avoid mixing with other undiluted products in an induction cone or any other container.

Use Rate

Glufosinate Herbicides: 3.5 pt/A

Glyphosate Products alone, premixed or tank mixed: 1-2.5% v/v or as directed by herbicide label.

This product contains 3.4 lbs of AMS per gallon.

If applying with herbicides that require approval for tank mix partners, consult the appropriate website for the herbicides involved to assure that Cavalry Envoy is approved for use.

Cavalry Envoy satisfies the requirement for a drift reducing adjuvant in an ESA drift mitigation calculation. Follow pesticide label directions for use rate.

NOT FOR AQUATIC USE IN WASHINGTON

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry place. Store in original container only. Protect from excessive heat. Optimum storage temperature is above 32° F as the product will freeze. If allowed to freeze, thaw completely before use. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product. Shake well before using.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Conditions of Sale and Warranty Limitation: The directions for use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of Sabre Initiatives, LLC or the seller. Sabre Initiatives, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. To the fullest extent of applicable law, Sabre Initiatives, LLC makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. To the fullest extent of applicable law, in no case shall Sabre Initiatives, LLC or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. Sabre Initiatives, LLC and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of Sabre Initiatives, LLC.
